REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Based on Applicant's representative arguments, the application is in condition for allowance as set by applicant's representative the prior art does not teach a method for operating or managing a networked group elements, comprising a proxy interrogating an element to determine whether it has a new code, the proxy being an intermediate between the elements and the network; and copying at least some of the instructions to the proxy upon detection of a new code in the element. These limitations are neither taught nor obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
